## 70% Alcohol Hand Sanitiser

### Product Data Sheet

# The Edge Alcohol Hand Sanitiser

## GENERAL DESCRIPTION AND FEATURES

70% Alcohol Hand Sanitiser Gel is a clear colourless viscous gel and is a powerful and safe anti-microbial alcohol hand sanitiser gel. It provides hospital grade protection that cleans and sanitises hands without the need for water. Use as a precaution to prevent cross-contamination.

## HOW TO USE

Apply approximately 2–5ml of neat hand gel to the palms and rub hands together thoroughly paying attention to the cuticles and creases in the skin, finger nails and in between fingers. Allow to evaporate naturally until the skin is dry.

## SAFETY AND STORAGE

- Do not use on hands with cuts, grazes or damaged skin
- Keep in a cool dry area away from heat sources. Store in tightly-closed original container
- Please see and read separate Safety Data Sheet (SDS)

## PACKAGING

- 1 x 5 litre
- 4 x 5 litre
